It sure feels great to get his cock out of those tight Levis and into his sweaty palm. To rub that shaft with some spit and to pull on his balls. If only some hot hunk would come by and see him now, Dean thought. To see him with his cock shooting load after load would really turn him on.

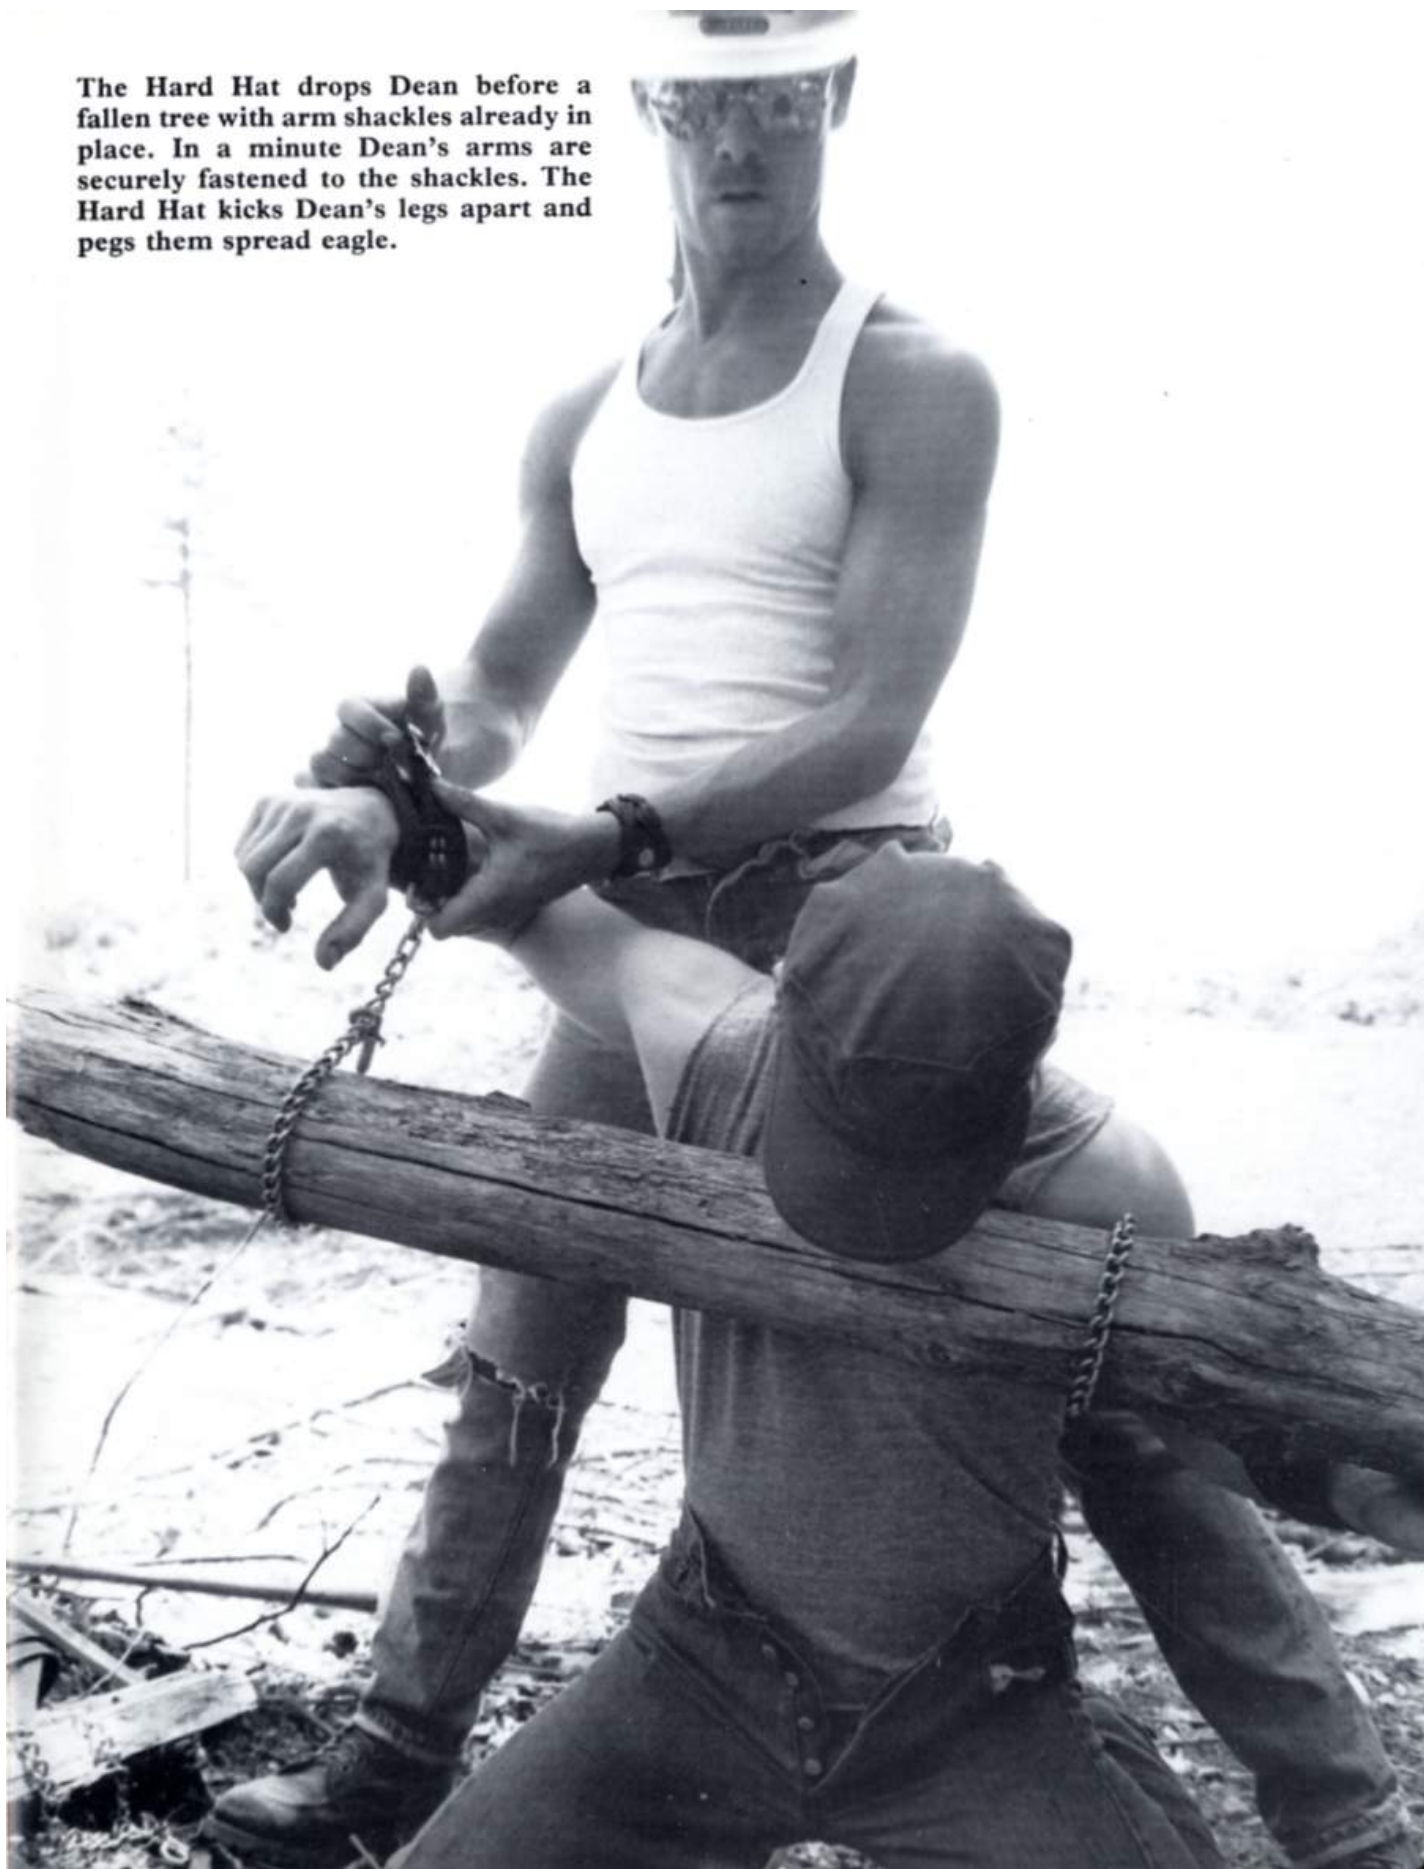

It's strange how fantasy can become reality! Suddenly Dean sees a real hunk coming towards him. He must be over 6 feet tall with torn Levis and Hard Hat. Sure enough he's coming his way and rubbing his cock. "This has got to be my day," Dean says. He decides there and then whatever this stranger wants he can have. Before he knows what's happening, the construction worker has Dean over his shoulder and moving down a path towards the woods.

The Hard Hat drops Dean before a fallen tree with arm shackles already in place. In a minute Dean's arms are securely fastened to the shackles. The Hard Hat kicks Dean's legs apart and pegs them spread eagle.

Dean will never know where the jock strap came from, but it sure smells fresh and helps to take his head even higher. He feels the Hard Hat's hands all over his body. Pulling on his tits, working on his ass hole, grabbing eagerly at his cock and balls.

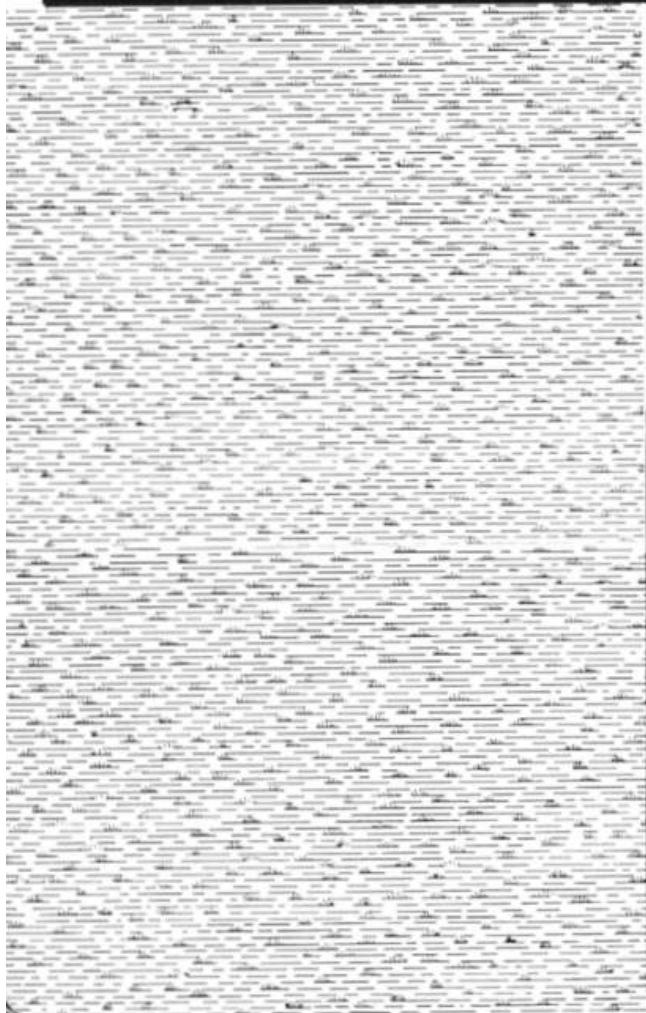

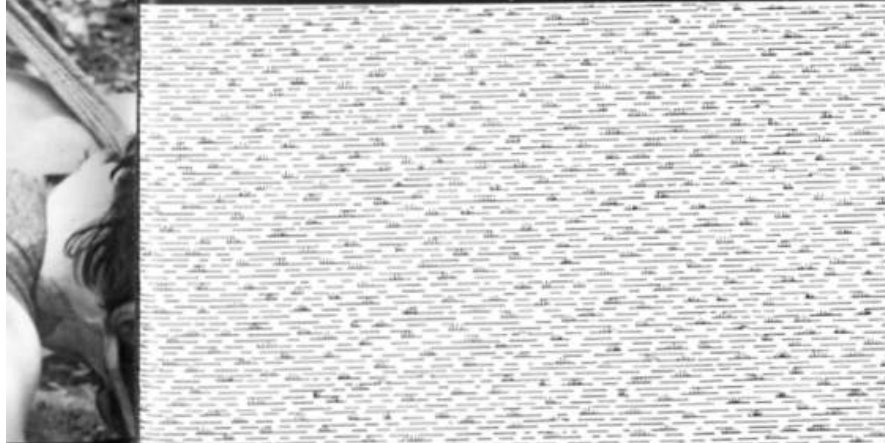

Now what was happening? All Dean could hear was the tear of his clothes and the tight fit of his clothing gave way.

**His shirt lays around him when he
feels a knife starting to work on his
Levis.**

This hunk was peeling his clothes off with a knife the way he would peel an orange. In a few short seconds his ass hole was opened to the wind and ready to be fucked with the Hard Hat's thick cock.

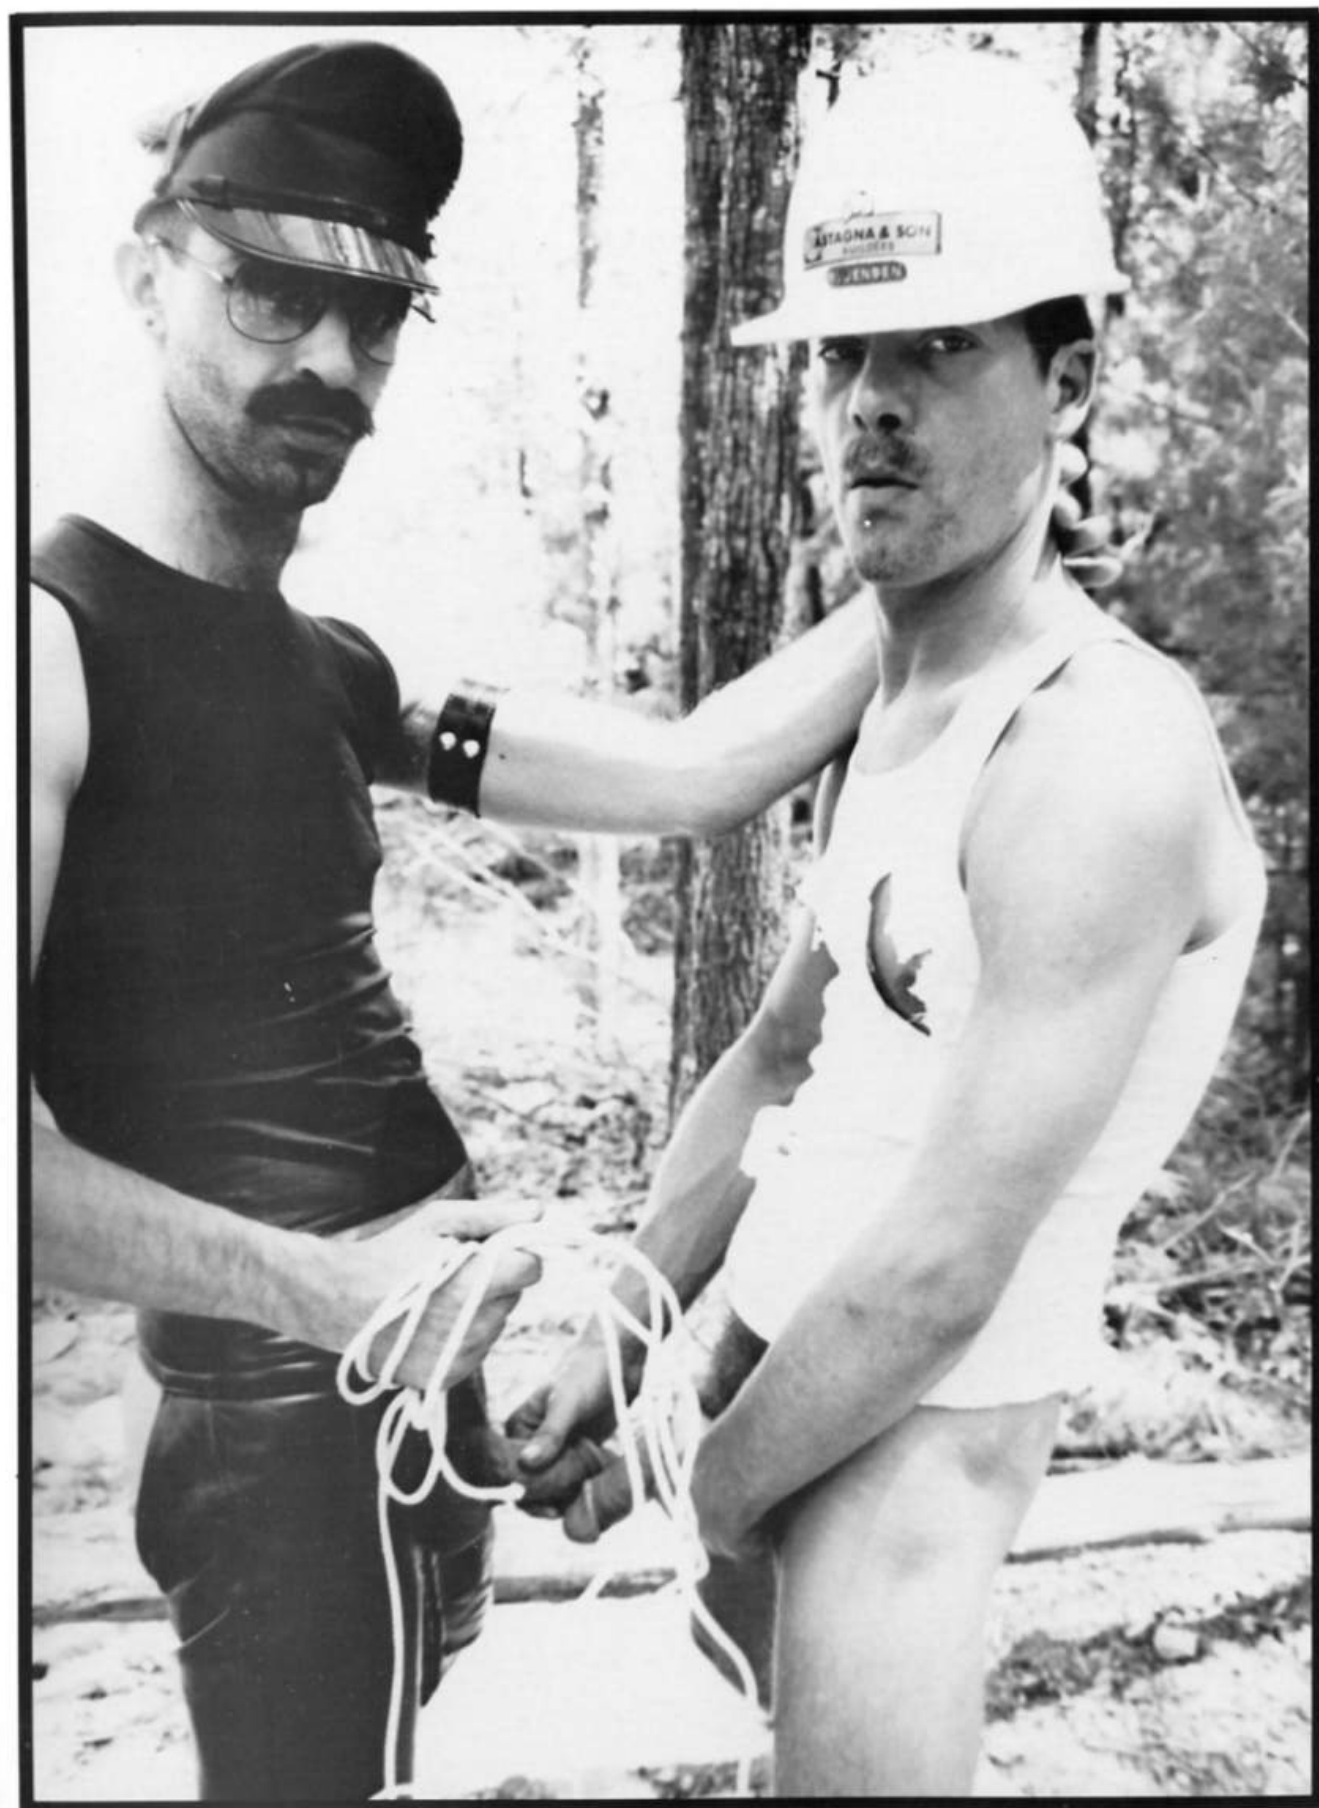

But wait a minute — what's happening now! The jock strap that covered Dean's face is ripped away and a grease gun flashed in front of his eyes. "I'm getting you ready for the fucking of your life", the Hard Hat said. Dean felt the cold of the gun's nozzle enter his ass and then the pumping began. Thick soft wads of grease being pumped deep in-

With both guys so hot and intent on heavy action, there's no time to notice a biker arriving on the scene. The biker is turned on by the Hard Hat's ass and cock, but what really turns him on is the challenge. He wants to beat that ass red hot, then fuck the shit out of him. And that kid would probably enjoy watching the Hard Hat go through some new paces, the Biker thinks to himself.

The Biker attacks the Hard Hat like a wolf its prey. He rips at his cock, biting hard on his nipples and arm pits, hitting the

solid flesh and pulling at his muscles. The heat of the attack turns on the juices of lust and just as quickly the attack turns

into a sex feast. The Hard Hat's ass is plowed with the biker's thick juicy cock and then his handsome face is pressed hard

into the Biker's crotch as the master becomes the slave and sucks clean the cock that just fucked his ass.

Suck my cock! The Hard Hat did as he was told.

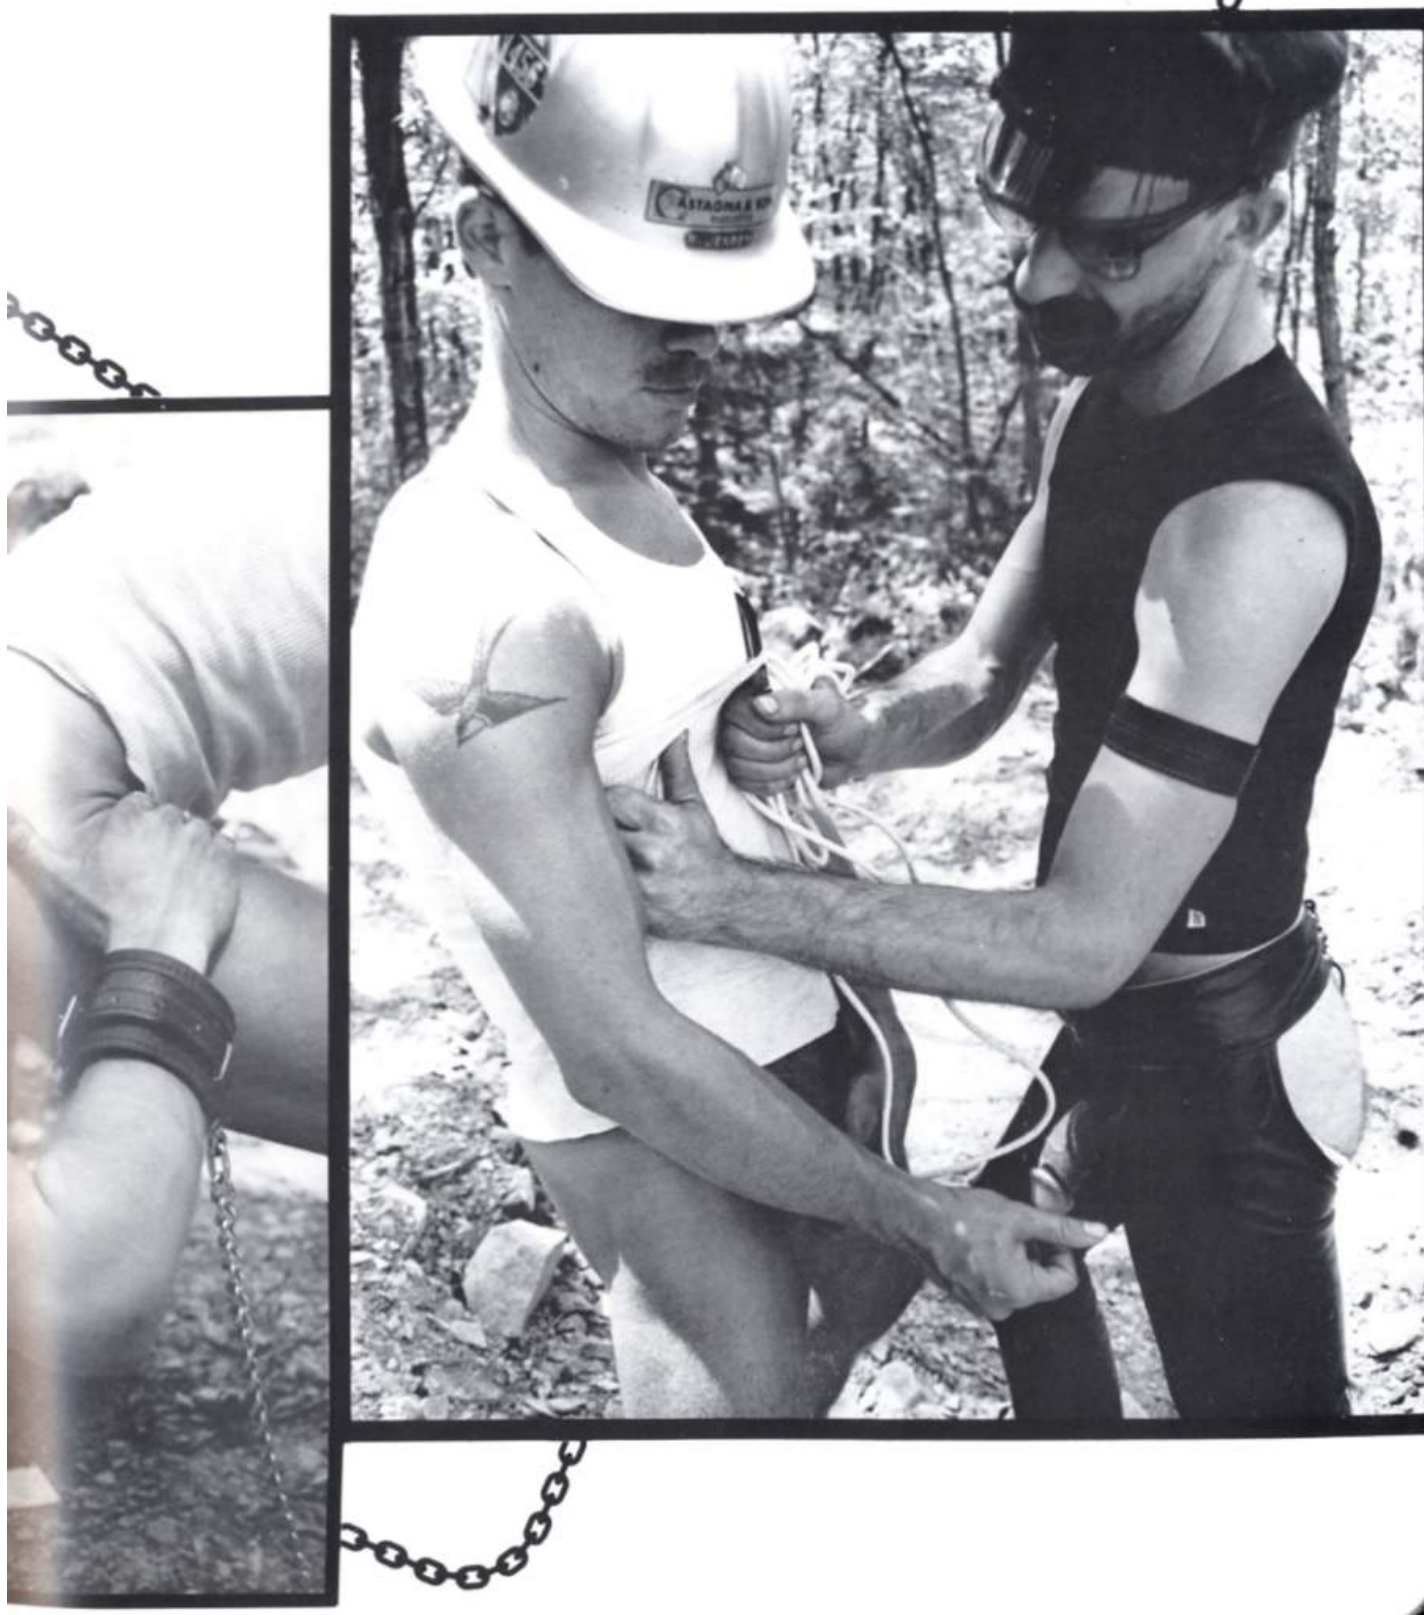

It didn't take long for the Biker to get his whip ready for action. Just a little juice from the Hard Hat's ass would be enough to get the cat ready.

While Dean was cleaning out the Hard Hat's ass, the Biker was using the knife to get to the Hard Hat's tits.

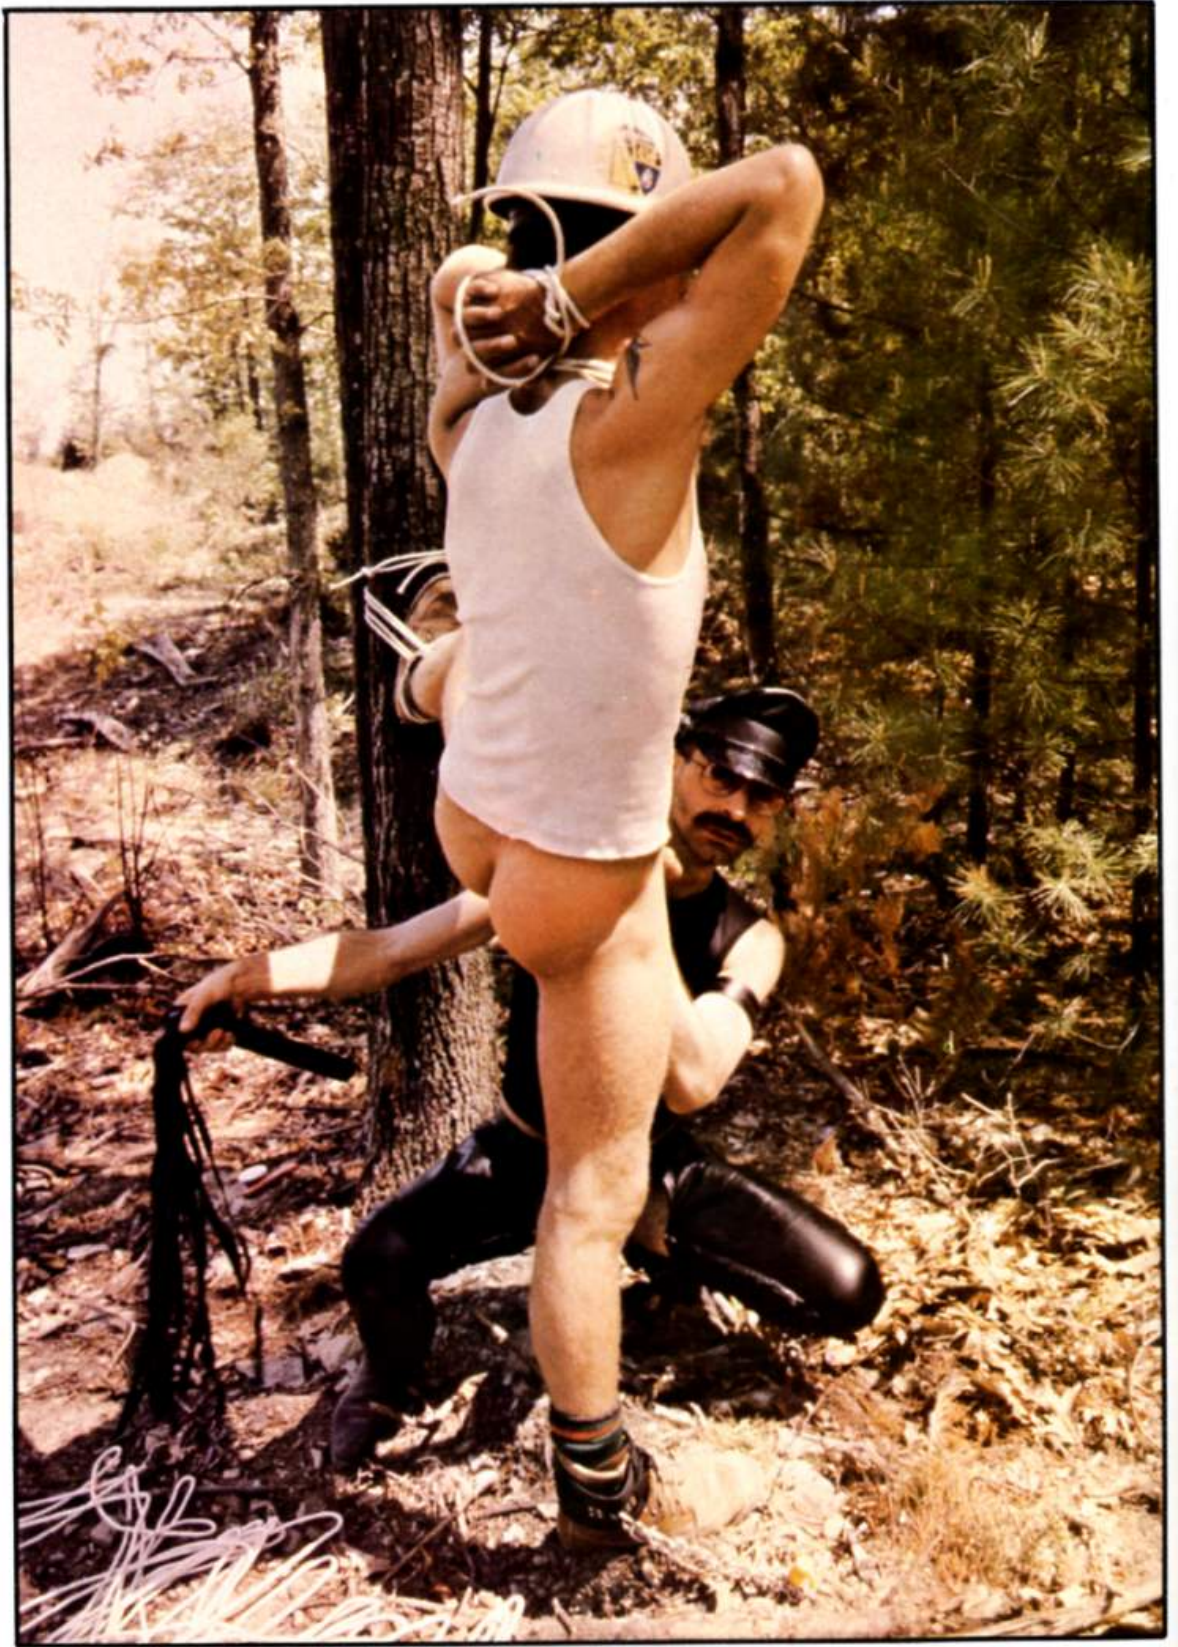

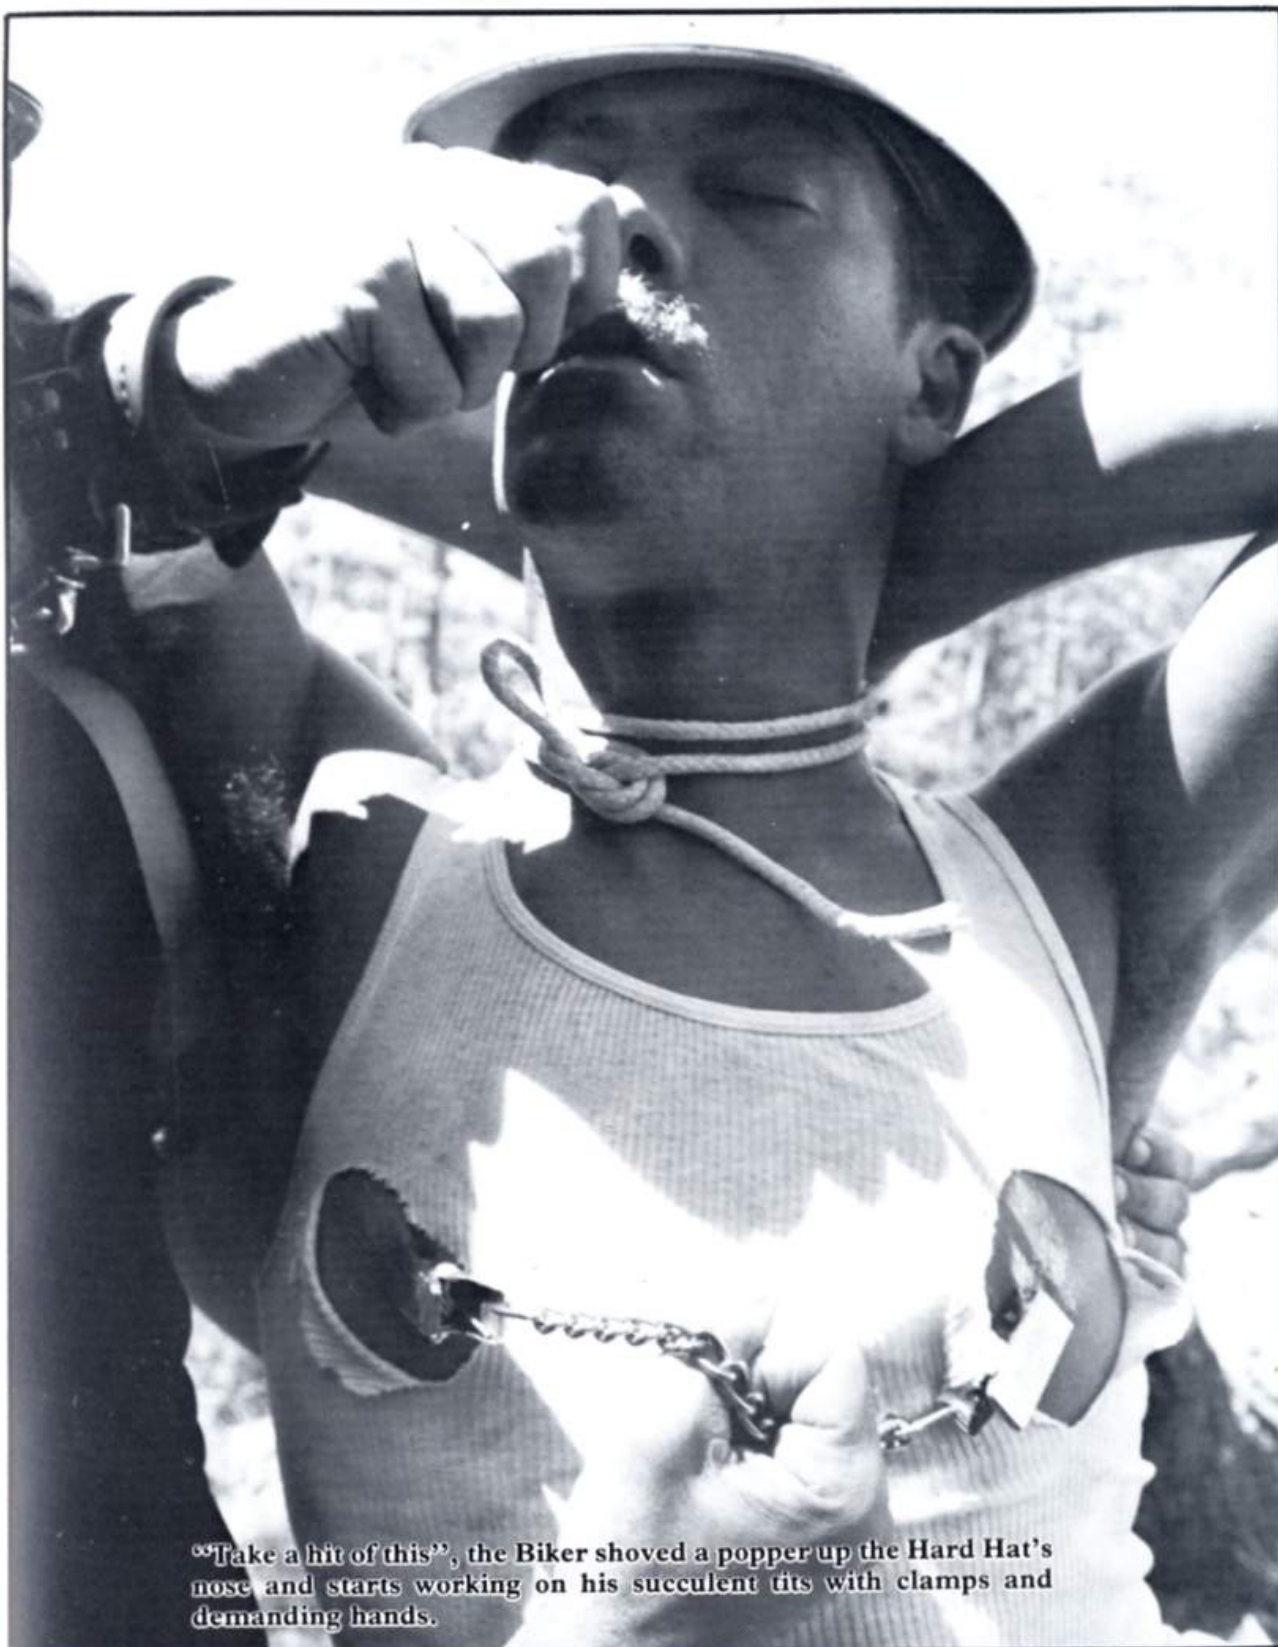

The Biker felt it was time to rope the Hard Hat like a calf to a tree and then he would be ready to use the whip.

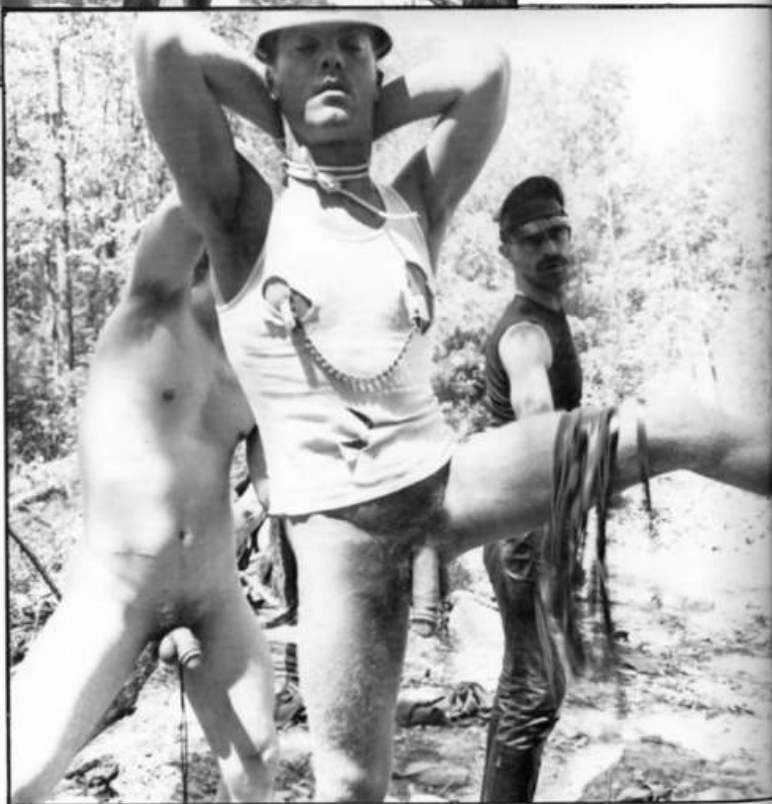

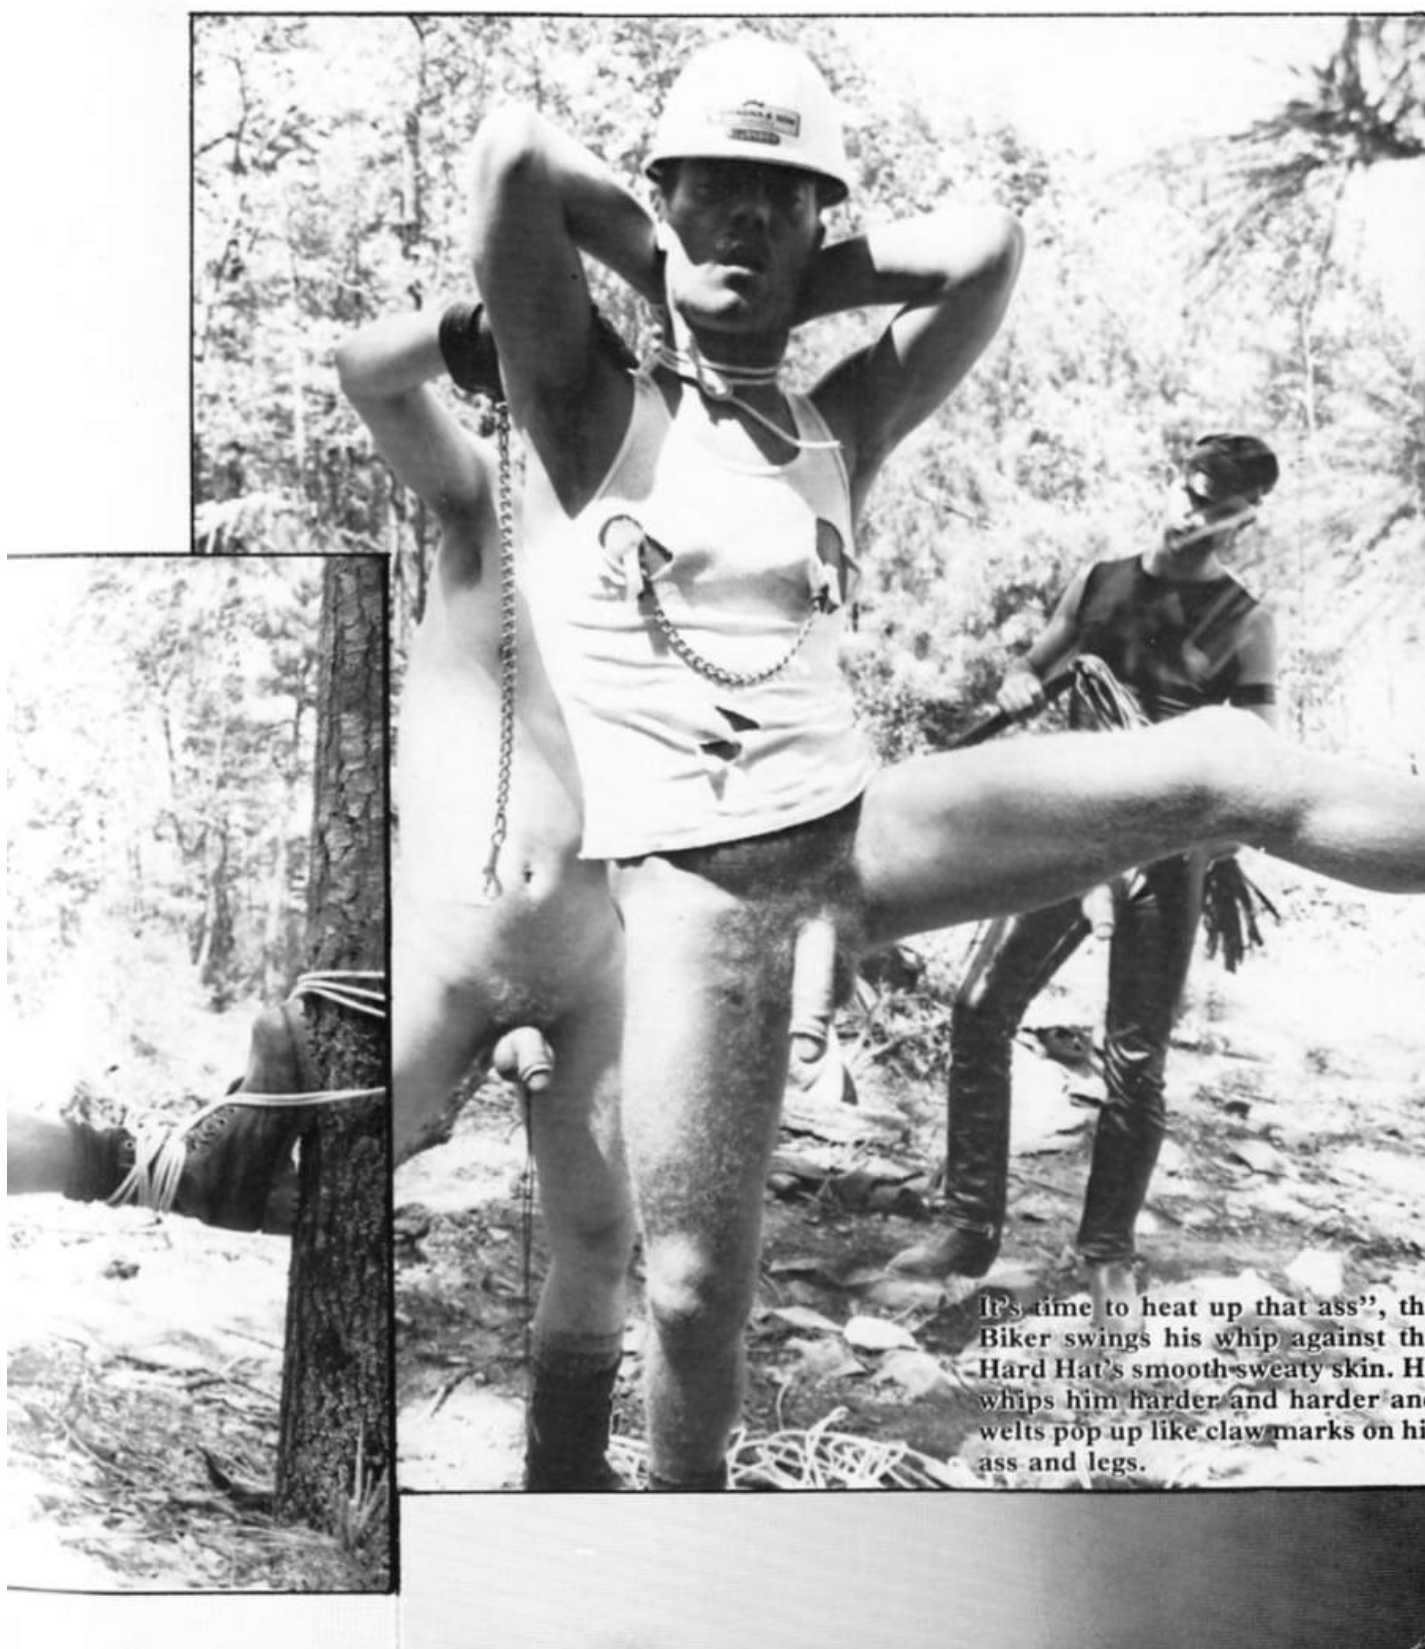

"Take a hit of this", the Biker shoved a popper up the Hard Hat's nose and starts working on his succulent tits with clamps and demanding hands.

It's time to heat up that ass", the Biker swings his whip against the Hard Hat's smooth-sweaty skin. He whips him harder and harder and welts pop up like claw marks on his ass and legs.

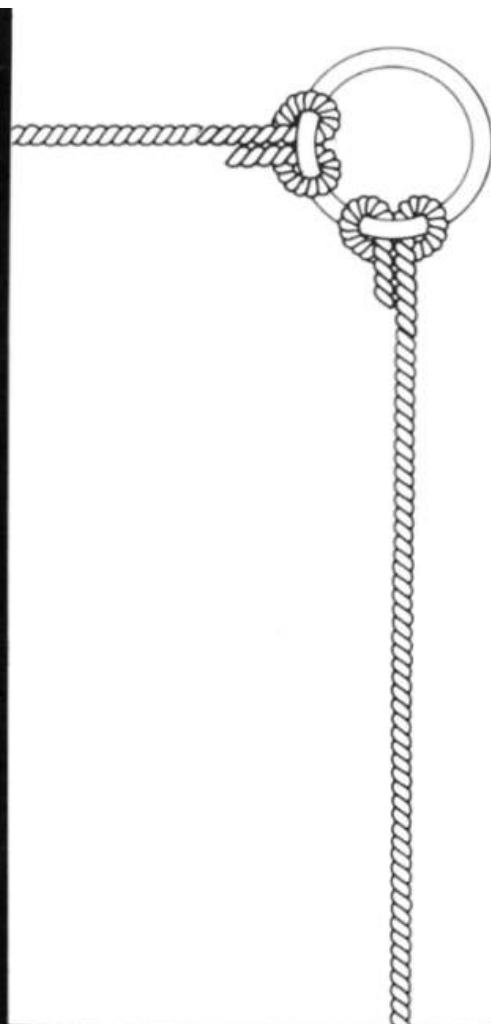

The echo of hot leather rings through the woods.

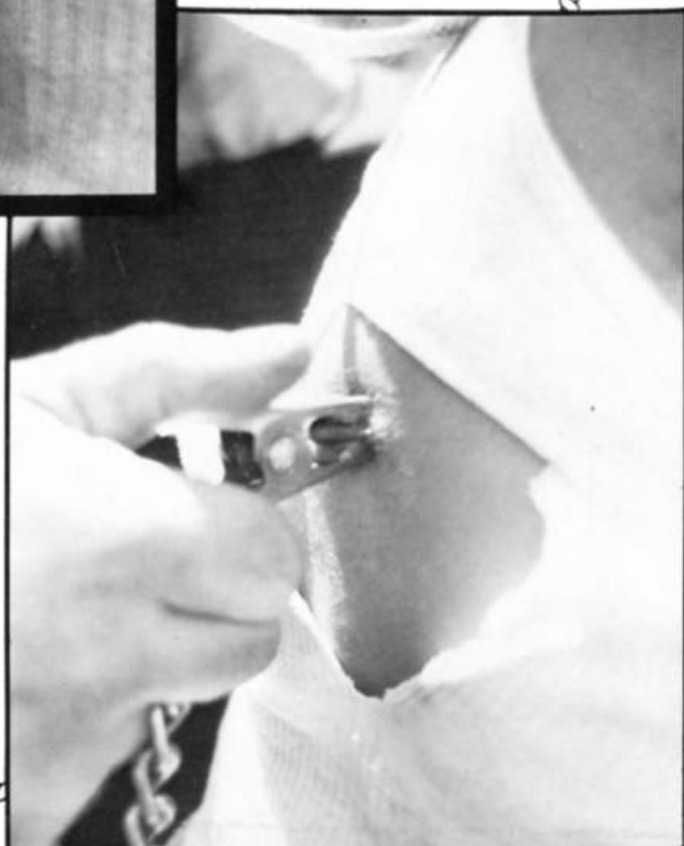

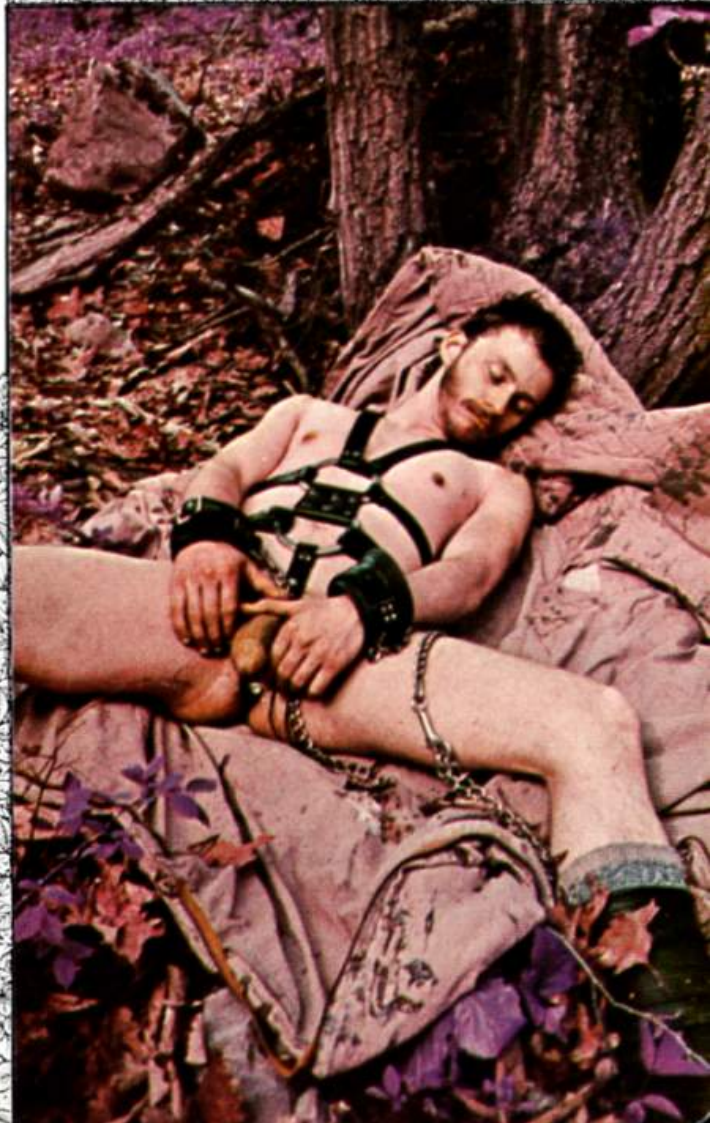

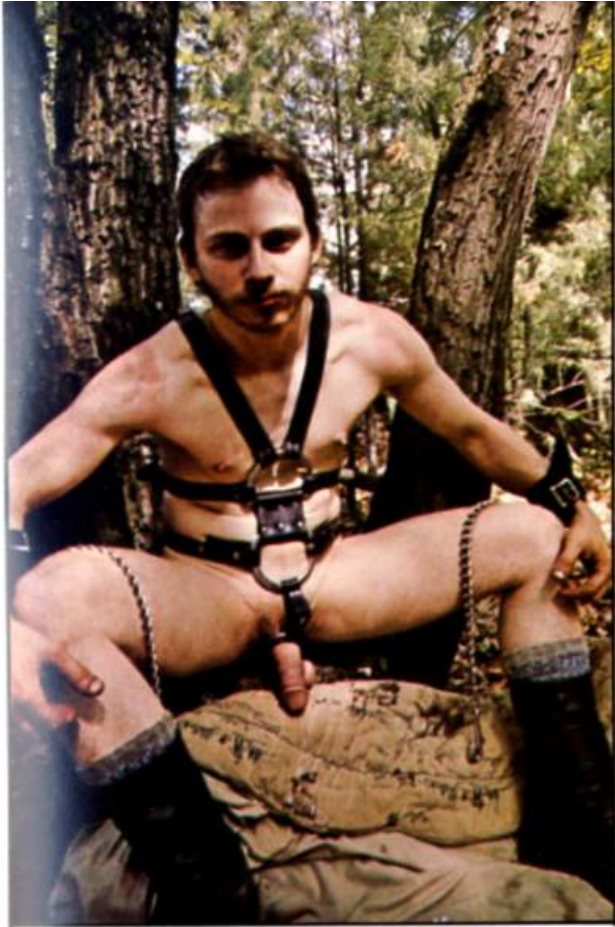

"Yah, this Hard Hat is broken in", the Biker thinks to himself and unties him so he can drink some hot piss fresh from his cock. "There's more for you later", the Biker pulls his cock from the Hard Hat's mouth, puts a pair of tit clamps on the Hard Hat's nipples and shoves his cock deep into the Hard Hat's hot ass. "A real hot hole", the Biker thinks to himself.

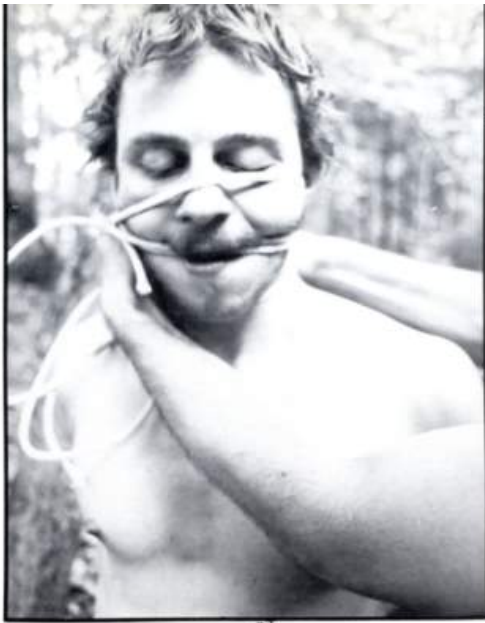

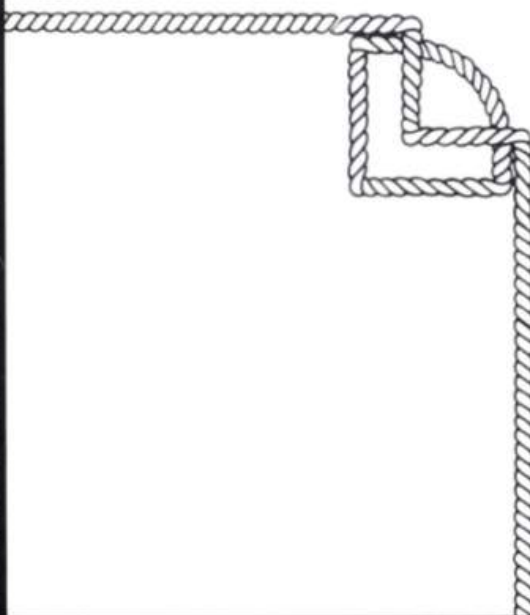

The scene has really turned Dean on. "Please Sir, Please let me serve you". How could Dean's plea go unanswered! The Biker gets his harness and rope and prepares this new slave for service. Both the Biker and the Hard Hat take turns using Dean's body for their pleasure. "If this is a dream, Dean thinks to himself, then I hope it never ends".
